I saw a ship a-sailing

A-sailing on the sea

And, it was full of pretty things

For you and for me

There were sweetmeats in the cabin

And apples in the hold
Am C
The sails were made of silk
G C
And the masts were made of gold

Am C
The four-and-twenty sailors

That stood upon the decks

Were four-and-twenty white mice
Am C
With rings about their necks

With a packet on his back
Am C
And when the ship began to move
G C
The captain said, "Quack! Quack!"
